

Fitzzy's Waterford Social Golf Club

Secretary's Report 2023-2024

We all enjoyed a variety of golf courses this last year with our regular clubs and a few "resort" style courses thrown in, Brookwater held up to everything I had heard about it, mind you, I couldn't buy a straight shot all day 😊

I have tried to book courses that other members have suggested though dates and numbers were an issue at times. The new Minnippi Golf Club would not take club bookings until 2025 and Meadowbrook Golf Club no longer take club bookings on weekends.

Also trying to book courses close by so we can show our patronage to Fitzys Waterford Hotel where there are now only 4 golf clubs near enough to have the presentation.

Again in the second half of the year I will be asking for course ideas that members would like to see added to next years calendar.

Regards

Mick Scott
