Gainsborough Greens winner for the day was the weather, with a few of our hardy members braving both the rain and the sodden ground.

I for one was one that decided that for that fact and the rain reviews and comment by 2 staff members of Gainsborough Greens that discretion was better than valour and decided to pull the pin.

The next game is the first round of match play and will be played at Riverlakes with a tee time of 7am.

Sponsor for the day is Roil Earthmoving and the presentation will be held at Fitzzy's Waterford Hotel.

Remember that all deposits for May Day Weekend should have been paid for this by now.

To all those whom invested in my Birthday bash and presents my most gracious thank you.

Garth
