### **GENERAL INFORMATION**

We are moving back to the old school days of scoring.

No one is to mark their own scorecard anymore. Cards are to be swapped with another member before the commencement of play.

We are also looking for suggestions for the 2 trips away next season. The May and October long weekends.

Any suggestions can be posted on our Facebook page or mentioned to a Committee Member.

Now for something different, I have been asked by a couple of members for fortnightly updates on some of the NRL games and table.

### **TAPPYS NRL TALK**

After round 13 we still have Tonkas mighty Bulldogs at the tippy top of the ladder after a hard fought Bye on 22 points.

They are closely followed by 2 teams that had very contrasting wins on Sunday. While the Raiders struggled to overcome an underperforming Roosters outfit, Tappys mighty Warriors cruised to a

36-30 victory over the Rabbits.

Mick Scotts mob, Cowboys, hold on to 6<sup>th</sup> place behind Fluffs Sharks and the Storm on the ladder, just holding out a fast finishing Tigers.

The top 8 are rounded out by the Sea Eagles and the Dragons, supported by 2bob and Richard.

Nowhere to be seen, The Brisbane Broncos. Oh, I found them in 11<sup>th</sup> spot.

Other teams won or lost their match while the Titans sit at the bottom of the table.

Join me in a fortnight for more NRL TALK with your host TAPPY
