GAILES GOLF CLUB

After a wet Saturday, the conditions at Gailes were pretty good for this game, played as a Single Stroke and also the final round in the Matchplay Competition played between Mike Tapp and Richard Kemp. And what a battle it was. (NOT) A very underwhelming and uncharacteristic match from Tappy and a well played and well deserved victory from the Westham Wonder.

Can't remember the score though as the whole day is a big blur.

The day was sponsored by FWSGC.

Just a reminder that deposits are now being asked for and final names requested for the Millmerran October weekend trip away.

TAPPYS NRL TALK

Another disappointing weekend for the Warriors and Broncos with both teams suffering from injuries in their losses to the Bulldogs and Storm.

Panthers continue their late form and climb into fourth position, while the Dolphins suffered an absolute flogging from the Roosters.

The only other game worth mentioning is the Dragons defeating the drowning Sharks, but will they be strong enough to surpass the Mighty Warriors this Friday night. I don't think so.
