KEPERRA GOLF CLUB

10 hearty members braved the rain and took to Keperra with gusto. The course was in pretty good conditions considering the amount of rain that fell on Friday and Saturday. The format was a 2 Ball Canadian with partners drawn randomly. No A or B. And the day was sponsored by Richard "Pres" Kemp & Eric "Fluff" Nugent

APPROACH

Mike Tapp

Now let me paint a picture of observing FWSGC Member, Aaron Gold in action.

He stands and addresses his ball with minimum fuss, no real practice swings.

This particular hole was a 143m par 3.

Aaron selects a 5 iron, he intends to not give it everything but just a half power swing.

His backswing looks good, and now the downswing, as intended not to fast, and as the Club makes contact with the Ball we hear the very distinct sound of the ball being topped, but the playing group watch in awe as that little white ball rolls along the ground the whole way and up onto the green

approximately 4m short of the pin.

Yes, this is how Aaron Gold collected his prize for Nearest the Pin.

Sometimes, it is better to be Lucky than Good.

NEXT GAME

Our next game is at Wolston Park on 30th November with a 6.30am tee time.

It is a 4club & putter format and will be sponsored by Mick Scott.

GENERAL INFORMATION

The major raffle books have to be returned (preferably sold) no later than our final game played at Windaroo on the 14th December as it is drawn at our final 19th Hole Friday Night Raffle on the 19th December.

They can be returned to me (Mike Tapp) at our Friday night raffles or at the Wolston Park golf game. I will not be chasing people and picking up.

Thanks to those who have already sold and returned their 2 books and have taken more.

I still have about 20 books spare that need to be sold if anyone needs more. (0490727162)
