PALM MEADOWS

A pretty piss poor turn out of members for this game.

A measly 11 members bothered to show up and play this often challenging course.

Great weather and conditions, so no real excuses for lack of members.

2 Ball Ambrose was the game for the day, with some interesting partnerships put together

TAPPYS NRL TALK

Well, some poor reffing decisions and a couple of howlers from the Bunker has cost The Warriors a chance of progressing through to the semi-finals of the 2026 NRL season.

How Tyson Frizzell was not penalised for that blatant blocking play is beyond this very unbiased editor,

But well done to the Roosters who ran over the Sharks to reach the next round and face the very improved Dolphins, playing in the clubs first finals run.
