NEXT GAME

The next fixture is the Fathers Day McKenzie Shield game at Carbrook on 7 September with a 6.56am tee time. It will be a 4 Man Ambrose and is to be sponsored by Fitzzy's Waterford Hotel. Normally we end up back at Fitzzy's Hotel after the game but the Sports Bar is closing for renovations from Monday 1st September. More information when we find out exact details.

GENERAL INFORMATION

As just mentioned, the Sports Bar at Fitzzy's is closing for renovations until February 2026. So Friday 29th August could be our last Goose Club raffles night for quite a while. So can we please get as many members there on Friday night as possible, so we can talk and maybe come up with some ideas on future raffles nights until the pub reopens.

Books for the Major Raffle will be distributed to members at our next game at Carbrook, all members are expected to sell a minimum of 2 books each.

We are still looking for donations for the Wheelbarrow as well please.

Deposits for the October weekend away should also be getting paid as well please.

TAPPYS NRL TALK

Normalcy has returned with the Mighty Warriors stacking up a great win over the powerhouse Titans, although, judging by the noise it was more a home game for the rampaging Warriors.

Raiders and Storm, both had wins over the Panthers and the Bulldogs respectively.

Even the Broncos managed a win over the Knights and seem to of sealed themselves in the top 8.

The Knights and Titans are battling for the Wooden Spoon and just a little bit of pride.

The Dolphins slip out of the 8, after an absolute hiding from Manly.

The Dolphins and the Sea Eagles are fighting an up hill battle, trying to usurp the Roosters from the top 8 as the Sharks and the Panthers are now safe.
