## EMERALD LAKES

We had 18 eager members turn out for yet another waterlogged golf game that was played as a 2 Ball Ambrose. Although the weather did turn out rather pleasant the golf was anything but hot, at least with the group I was in.

Shane and Meagan sponsored the day.

We also played for the Fallen Associates Shield with the Winners being Tonka & Plonka (Greg & Dave).

The first fallen associate on the shield is none other than Bea Goodwin who was involved with the club in numerous ways but mostly with the Friday Night Goose Club Raffle.

## NEXT GAME

The clubs next game is at Gales Golf Club on the 10 August with a 7.00am tee time. It will not only be played as a Single Stroke event but also as the Final Round of our Matchplay tournament, pitting the ever fearless Kiwi Mike Tapp against the Westham Wonder Richard Kemp. Should be a battle for the ages, maybe even to the death.

## GENERAL INFORMATION

Well done to Shane Morrison for becoming the first winner of the new Jackpot on the Goose Club Wheel at our Friday night raffles. \$220, thank you very much.

A disappointing turn out of members for our special Goose Club Raffle, honoring the memory of Bea Goodwin. Thanks to those that did make an appearance, it was a very successful night, selling 200 tickets for the club.

## TAPPYS NRL TALK

Nothing much to talk about this week, with the Warriors and the Broncos playing Tiddlywinks while the opposition played League.

Well done to the Raiders, Bulldogs, Storm and the resurgent Panthers.

The Warriors remain in 4<sup>th</sup> position while the Ponies drop to 6<sup>th</sup> one above the Sharks.
