SANDY GALLOP

A better turn out for this game, with 19 members braving the chilly conditions and very fast greens. The game was played as a Single Stableford format with the days victor winning the coveted Green Jacket. Well done to this years Champion, Johnny Royston.

Also, we welcomed newest member Michael Smith to FWSGC. We'll see how long he lasts with this bunch of misfits.

And a big thanks to FWSGC for shouting its members this round of golf.
