CARBROOK GOLF CLUB

A good turnout for The McKenzie Shield Challenge with 17 members and 4 from the McKenzie clan playing in fantastic conditions, while a few of the softer members slept off hangovers. Normally a 4Ball Ambrose format, it was played as a 2Ball Ambrose this time with the top 2 pairs winning the coveted shield.

The game was sponsored by FWSGC.

ITS FINALS TIME

This seems to be one of the more open finals series in quite some time. With The Raiders and Storm being a bit more dominant while the Panthers, Sharks, Roosters have been quietly building up to the Finals run. The Broncos have found some end of season form while The Bulldogs and The Warriors have been pacing themselves and are ready for a sneak attack.
