### GENERAL INFORMATION

An Email will be sent out in the next few days asking for interest in the MAY DAY weekend away. A prompt response is asked as the trip is not far away.

The golf mugs donated by Eric Fluff Nugent are a way of trying to get members to interact and come down to Fitzzy's Waterford and support the pub (our main sponsor) and our own Meat Raffles. Its simple, names are drawn randomly, 1 A grade and 1 B grade.

If they tap another member on the shoulder the member buys the MUG a POT of beer or soft drink if so desired. Its probably 3 or 4 dollars a drink. You can only be tapped once from each MUG for that 2 week period. If you happen to get tapped twice by the same MUG then the MUG will buy you a drink. You can be tapped after the game or at the Friday Night Raffles.

The Mug is to be returned to the club on the Friday before the next golf game.

Any members that don't want to participate can have their name withdrawn.
